gym leader again while Lillie asked about his primary pokemons he uses, which Sakura answers that he's using a fighting type pokemon while Ty says that his pokemons are ready to go. Meanwhile, Team Skull is in the boat under their passengers disguise, watching over Ash and his friends as Guzma tells his team to be ready soon. As they are relaxing, the gang were viewing the ocean as Sarah spot a pack of Mantine and Mantyke swimming by as they fly, she was delighted of seeing those water type pokemons, while May says they are also flying types, Avery was impressed as Manaphy was smiling at those pokemon, making May giggled, during the tour, Max was looking at the pokemon egg while Avery takes a look at it, asking if he'll be a pokemon trainer, which Max says that he will in the future, which Avery was amazed at his idea, saying that he'll be the strongest trainer. Inside the decks, Lillie, Raye, Dawn are getting their drinks for everyone while Plumeria and Yuho watch them in their passengers disguise, the gang didn't notice them as they returned outside the deck, as they were gone, two grunts took over steering the wheel as they captured the sailors and change course to Team Skull's hideout under Plumeria's order.

The gang were confused about the boat turning to the other side only to be confronted by Team Skull who took off their passengers outfit who were wearing their main outfits, much to Ash and his friend's shock and distraught of seeing their rivals, Guzma and grunts surrounded Ash's team, successfully earning their revenge for foiling their plan of framing on Ty, but he rebukes them since they are responsible for causing the mess at Olivine City, which Guzma says that it was not his problem anymore as he orders a grunt to turn the ship back to their main hideout, which he turns the ship on the other side, Sarah expressed worried while May calms her only for Manaphy who was a bit scared. As the grunts prepare to take the heroes inside the deck, Jonah tells Squirtle to distract them with his Water Gun, which he does successfully, this causes Ash, Pikachu, Ty, Dawn and Raye along their pokemons running away while Rapp, Zipp and two grunts chasing them.

The chase continues until Ash, Dawn, Raye and Ty are cornered on the top level of the ship. At this point, they see no other alternative than to jump overboard into the ocean to escape the pursuing grunts. In the ocean, Ash and his trio are suddenly attacked and chased by a wild Tentacruel, as they are trying to escape from Tentacruel, they are suddenly rescued and get aboard a ship; once on the ship safely, they meet Winston, an old fisherman and captain of Marigold who befriends him. Ash and his friends explained to Winston that his other friends were captured by Team Skull after they took over their ship on their way to Cianwood City in order to save them, which Winston appreciates it as he was taking his ship back to Kanto region, however, only that his engines are almost out of power, luckily, Ash and his friends have agreed to help.

Meanwhile, Guzma and his grunts takes over the ship as they are heading to their main hideout while Yuho mocks the kids for losing Ash and his friends to the ocean who didn't survive, but May disapproves them since they'll come back to rescue them before they know it, only to be silenced by Plumeria, saying that it was too late while Rapp takes away Max's pokemon egg from him just as a trio of Yungoos stares at him to prevent him by getting it back. Jonah was worried about Ty and his friends, but Sarah promised that they'll be back and take down Team Skull. Back to Marigold, Ash spots their ship that Team Skull commandeered, Winston informs them that they need more speed to catch up to them; through an intercom, Ash manages to tell Ty, who is in the engine room with their pokemons, to increase their speed. Onboard the ship, as Team Skull is steering the boat, Guzma was shocked and distraught of seeing Ash's group again. May and his friends are relieved to see Ash's team again, much to Team Skull's distraught as Guzma orders his grunts to battle against Ash's team after Ash, Ty, Raye and Dawn boards the ship. Zipp orders Garbodor to attack them with Venoshock, only for Piplup and Psyduck successfully dodging it and attacks Garbodor with their Bubblebeam and Psybeam while Teddiursa takes out Yungoos with his Fury Swipes. Victreebel tries to use Vine Whip at Pikachu, but misses after he avoids and counters Victreebel with his Quick Attack. As the battle continues, Avery notices a grunt steering the ship, sending out Pachirisu and electrocuting the grunt with Spark, with the grunt knocked unconscious, Lillie manages to take the steering wheel by changing their course, grunts witnessed their shock, Totodile and Squirtle knocks out Team Skull with Water Gun to the ocean while Max grabs the pokemon egg on time, successfully defeating the grunt, suddenly, a trio of Tentacruel began chasing Team Skull, accepting defeat and vows revenge next time as they flee by swimming.

Ash and the others reunited together once again and thanked Winston for his assistance while he thanked the gang for fixing his boat engine as he bids farewell and wishing the heroes a best of luck on their journey as he sets sail to Kanto. As the ship is now back from the sailors control, they resumed their sailing to Cianwood City.
